

## **New Initiator Systems for Anionic Polymerization**

Innovative Science Corp. has catalogued ideas for new forms of initiators useful for preparation of high MW polymers via anionic polymerization. Systems applicable to polymerization of both alkene and cyclic monomers are feasible.

*Cost* = \$10-15,000 Stage 1

*Likelihood of Success* = 50 %

*Earning Potential* = Moderate.

*Return on Investment* = Open to negotiation.
